

## **2010 Activities**

Enjoy a variety of games, crafts, and activities at the Festival.

**Bird Walks** - Throughout the morning, starting at 8 am and whenever folks gather, the Audubon Society will lead introductory bird walks - loaner binoculars available. Meet by the dinosaur dig area, east end.

**Dinosaur Dig** - Unearth the bones of the most powerful reptiles ever to roam the Earth.

**Solar Viewings** - Visit the Gilbert Rotarian Centennial Observatory to look at the sun through our special filter.

## **Booth Activities**

**Face Painting** - *Hosted by Highland High Ecology Club*

Show off your favorite part of nature with your smile. \$1 donation requested.

**Beaks and Bites** - *Hosted by Mesquite Ecology Club*

Try out different types of beaks and see how successfully they work to collect your 'food.'

**Aquatic Ecosystems** - *Hosted by Mesquite High School Ecology Club*

Make your own aquatic ecosystem.

**Pond Tour** - *Hosted by Mesquite High School Ecology Club*

Learn more about the Riparian Preserve pond through observation and discovery.

**Don't Feed the Ducks** - *Hosted by Mesquite High School Ecology Club*

Too many ducks collecting in one pond can upset the balance of the pond ecosystem - Learn how you can help.

**Endangered Animals** – *Hosted by Friends of the Endangered*

Learn more about our animal friends through pictures and coloring fun!

**Recycling Games** – *Hosted by Superstition Springs Farm*

Don't trash it – Reuse it! Think about how simple items can be used for fun and games!

**Bird Brains** – *Hosted by Desert Rivers Audubon*

Learn about the many special features of our fine feathered friends!

**Discover a Watershed** – *Hosted by UA Arizona Project WET*

Make it rain! Check out this cool model of a watershed.

**Water Cycle Game** - *Hosted by UA Arizona Project WET*

Travel as a water drop through the water cycle and collect bead souvenirs of your adventures.

**Pinecone Bird Feeders** – *Hosted by GS Troops 1173 and 207*

Pinecones, peanut butter and birdseed - yummm, yummm. It's a real feast. \$1 donation requested.

**All About Owls** - *Hosted by Chandler Gilbert Community College*

Learn about these special birds, and dissect owl pellets to discover more! \$2 donation requested.
